

# A BETTER WAY TO CARE

## WALK-IN MEDICAL SERVICES

On-site x-rays, labs, IV fluids, EKGs and minor surgical procedures

25+ locations throughout Maine, New Hampshire and Massachusetts

## CONVENIENCE AND AFFORDABILITY

Treatment for non-life threatening illnesses and injuries

Staffed with expert medical professionals and certified lead providers

Cost-effective alternative to the ER, 75-95% less on average

Insurance accepted, but not required to be seen

## VIRTUAL URGENT CARE

Same excellent care, delivered wherever you are

ConvenientMD providers diagnose, treat, and prescribe medications via virtual video visits

## COVID-19 TESTING

Available at ALL locations. Fast turnaround time with our in-house lab.

## OPEN:

8am-8pm, 7 days a week  
No appointment needed
